ESCALOPE PARMESANS (THE PARMO)

All parmo are served with hand cut chips and dressed salad OR potatoes & vegetables on request.

At The Burtree we're proud of our PARMOS and we know they're as good as you can get. We've been serving them locally now for over 40 years!

A Bit of Parmo History

Greek Cypriot legend Mr Nicos Charalambous (Harris) goes down in Middlesbrough folk law – and don't let anyone tell you otherwise! as the man (along with his lovely wife Margarita) who invented and first served this now world famous delicacy in the Paradise restaurant in the late 50's, where it soon became a firm favourite with the locals.

Would you believe he ended up in Boro via New York after a stint in the US army where he was actually shot and wounded in Normandy during the 2nd World War. He came to England to stay with family and recuperate and luckily for us he stayed and the Parmo was born! Nicos we salute you.
